

## Chloey Baucher-Ellinger

April 3, 2019

Chloey Baucher-Ellinger, beloved fur-baby of Amy and Jason, sister to Molly, Mack and the late Ringo & Foster passed away April 3, 2019 after a sudden illness. She initially joined the family as a foster from Open Arms Pound Rescue. But, due to her old sweet soul and joy of tennis balls they quickly knew she belonged in their pack and she officially became a part of the family three short years ago.

Chloey was a genuine 'lover' although she ultimately was the boss and determined when and how long you were permitted to cuddle on her. She was unofficially known as Jason's "good girl" and simply holding tennis balls in her mouth, no matter the occasion or what she was doing, was her passion.

Chloey is a reminder to all that "old dogs" give just as much joy and love as their younger counterparts and that saving a shelter pet often results in the rescue of the human instead of the animal.

The family would like to thank Open Arms Pound Rescue and VCA Mill Run Animal Hospital for the care each provided during different periods of Chloey's life.

Gone too soon but loved beyond words, Chloey will be greatly missed by many family and friends. Hold your pets tight, take that walk and never hesitate buying just one more tennis ball.
