

Chocolate Stephens

December 9, 2015 - September 4, 2024

Chocolate (Choc) was the best dog ever. I adopted him from a corrections officer, when he was 2 years old. He loved nothing more than to be by your side 24/7. He was always happy and loved everything and everyone and was a very smart dog. He is missed by many people who he brought joy to everyone's life.
