

Christians Triton Of Fire McLain

November 24, 2011 - January 27, 2026

Triton, We had 14 years together! Such an amazing life to have for a Doberman. It was still not enough time and your body was ready. You were always a fighter, and you did so till the end. Though none of us were ready we had to make that choice and give that last gift of compassion. Run free old chap and give Molly, Cyro, Rhea, Hera, Onyx, Tarra, Karma, Yamaha & Callie kisses from all of us. Love, Mommy, Corey & Grandpa
