Mommy will miss my girl everyday waiting at my feet everyday as I was doing my hair and makeup. Getting Treats. Miss and always will love you.

Mom

P.S. I will miss your little paw at my foot for me to pet you.

Dad said he missed you so much , but God needed you more. Now you are with your Mom Emmy.

Love you always,

Dad & Mom (Hugs)

“ *I'm so sorry for the loss of your pet. To me, losing a pet is just as devastating as losing a human. I still talk to my Sadie just as I talk to my Mama. My thoughts will be with you. Love, Brenda (cousin)*
