

## CiCi Kline

August 12, 2010 - February 21, 2018

CiCi was a beautiful White West Highland Terrier, 11-1/2 yrs. old. She passed away from Bladder Cancer. She filled a void in our lives. Born on my wife's birthday was a sign she was meant to be in our family. She was a sweet girl. She made us laugh, she was a loving and loyal companion. She was loved by our children and grandchildren. Our home feels so empty without her. She will be in our hearts always and never forgotten. Thank you sweet girl for all the joy and love you gave us.
