Cinnamon Burns-Anderson

10/16/2009 - 3/29/2022

It's never easy to say goodbye. Cinnamon made her way over the puppy heaven bridge on 3/29/2022. She was born on 10/16/2009 to amazingly smart doggy parents. We met one another just 2 weeks before Christmas of 2009. She was 2 months old hiding behind her brother in a cage in Metro Detroit, Michigan (I still have the photos). She was a Christmas gift from my father and I remember begging him to get her for me. I had absolutely no clue how to take care of a dog or know what I was in store for. I also had no clue about how much of a positive impact she would make on my life. Two days later she was adopted & it took no time for her to come out of her shell & spread an abundance of love & unbeknownst puppy kisses.

Her favorite things to do were taking car rides, hiding snacks, receiving belly rubs & cuddles, defending her mommy against daddy's silliness & following her grandmother around for food after she had already eaten lol. She was so patient, loving, loyal, forgiving & a great judge of character.

Cinnamon lost her battle with cancer after almost 1.5 years of her diagnosis. She spent her last days getting an abundance of love from family. If she was in any kind of pain she never complained. She touched the lives of so many

people & I know that she's in a better place. I'm so heartbroken, we're heartbroken, but ok knowing that she no longer has to fight any illnesses. She absolutely pushed herself to the very end. We'll always think of you babygirl when we wake up, go to sleep, go for car rides or just need a pick me up.

Cinnamon leaves to cherish her dog mom Lawren, dog dad Justin, dog grandparents Ann, Lawrence, Stephanie & Carl, aunt WeeDee, cousin's Dailah, Montessia, Dmya, Shay, Lil Bit & a host of other relatives. Cinnamon was preceded in death by her parents, sister Topper & cousins Cocoa, Sissy & Missy.

She was absolutely the best girl in my life & in the world. Although a part of it will be missing forever, I will always keep you close to my heart & remember your barks, loving personality, & you just wanting to be under me for warmth & affection. Thank you for being the emotional & mental support I never knew I needed over the years. Job well done Cinnamon (Punky Wonk, Cin Cin, Cinta, Cinnabon, Cinnamon & hilariously Nutmeg). Take your rest my love. We'll love you forever & ever.

The Burns & Anderson Families would like to thank The Emergency Animal Veterinarian Hospital & Schoedinger Pets Memorials & Cremation of Columbus for their services & delicacy. We'd also like to thank family, friends, co workers & anyone who has reached out with kind words, condolences & gifts through this difficult time.
