

Cleo Hamilton

June 20, 2019 - December 8, 2020

I first met Cleo after she had been abandoned at a horse stable with her brother. I took them in & cared for them while trying to find them a permanent home; I had never had a pet cat in my life & never thought of myself as a "cat Person". But, they won my heart so quickly. Cleo was a quiet girl who loved naps & dinner time. She was taken too soon by a heart that failed her, & me. Miss her do dearly. If love could have saved her, she would have lived forever. Rest in peace, sweet girl.
