

## Cleo Lohr

May 24, 2018

Cleo found me in June of 2007. There was an instant bond that was unbreakable. My family went on vacation, thinking she would move on to a different house while we were gone. To my surprise she was still around when we returned home and we haven't been apart until now.

I miss her everyday. She was a huge part of my life, she was there for many firsts. First apartment, first major move, and my first child. She will forever be in my memory and my heart. We love and miss you sweet girl.
