

Cleo

August 12, 2006 - July 20, 2020

Cleo -- our friendly, funny, affectionate and sweet girl, who always greeted us at the door. I'll never forget how, after my spine surgery, she kept all-night vigils over me. She loved to watch movies with Mom, belly rubs and imitating Mom's exercises on the floor. Cleo is survived by her twin sister Minnie, who is missing her dearly.. Always my "bestie girl," forever in my heart.
