

## Cole French

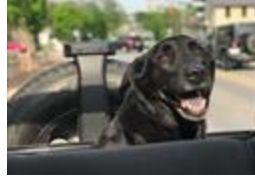

August 17, 2008 - May 7, 2023

It was so hard saying goodbye to you sweet boy but you were telling us it was time. We miss your sweet face and your greeting us when we walked in. You were such a good boy and brought so much joy to us for almost 15 years. Thanks for watching over us, especially your brother who misses you so much. Rest easy Coley boy! We love you forever!
