

## Connor Grimes

December 25, 2004 - September 10, 2018

Sadly, we had to let our sweet loving Connor (AKA: ConCon, Big Handsome Fellow, Big Boy) go. His kidneys just gave out, he was 3 months shy of 14 years old.

He was a lab who disliked water, balls & toys! But he LOVED his people, TV, laying on the couch or a lap, belly rubs and massages. Could not have been a better dog. He gave us so much love and left us with many memories. We will miss him immensely.

RIP ConCon - We Love You!!
