

## Cooper Ossman

April 3, 2018

Cooper was so awesome in more ways than one! I've always loved all of my dogs but Cooper was special. He was so smart and intuitive. He was MY dog. He was loyal. We understood each other. I could take him anywhere off leash because I knew he would obey a command. He will be greatly missed for his intelligence and his companionship. We all love you so much Cooper. Can't wait to see you again.
