

Copper Bourne

October 7, 2025

Copper ,our 13 year old Golden Retriever passed away peacefully after a brave battle with Cancer. He was such a sweet soul Copper always greeted everyone with a wagging tail and a toy. His favorites were his stuffed bunny rabbits and Jackson's tennis balls.

He loved to be surrounded by other dogs, cats and especially kids. Copper lived a full and happy life. He was loved so much and will continue to be. He wasn't just a dog- he was a huge part of our family.

He proceeded in death by his Best Buddies Jackson and Nelly. He leaves behind his pups Violet & Nico, who are both so much like their dad. As well as his special friends Jojo, Journey, Buttercup and his favorite cat Mylie.

Run free over the Rainbow Bridge Copper. You will always be in our hearts
