

Countess Vicchiullo/Laskowski

October 5, 2018

With heavy hearts, we announce the passing of our beloved family member, Countess. She passed away Friday, October 5, 2018 at 1:10 p.m. in Westerville, Ohio with her loving family by her side. She was 17 years old. Words cannot describe our grief as we mourn her passing. Countess was a loving feline. She was much more than a pet, she was a family member. We will remember Countess for the many memorable and joyful moments we were able to share with her over the years.

We will remember her making her way quickly to the kitchen from the far corners of the house whenever she smelled food, or heard the familiar sound of her food dishes clanking together. We will miss her knowing just which cabinet contained her precious treats and other goodies that she enjoyed. We will miss seeing her peeking at us from her "self made" bed in the clothes basket, or sitting in the bathroom closet. Which was another one of her places to go to nap, or just enjoy some quiet time. We will remember her for giving us comfort when we were sick, or down. We will remember her for causing a scene when she had to make her bi-annual trip to the groomer. Which she hated! But, we all knew that she was always pleased with the results. We will remember her making her way to the kitchen every night before bed to enjoy her saucer of cream, or milk. Which she did faithfully until her last day. We will remember, above all, that she undoubtedly understood just how much she was loved!

Today, our home and or lives feel empty. We are truly saddened by the passing of our dear Countess. She was a very important part of our family. Yes, life will not be the same without her! However, we realize that in time, the pain will subside and we'll look back on the many good and funny times we had with her. We were truly blessed to have her in our lives!

Countess leaves behind her family: Bryon, Christopher and her special feline friend of 9 years, Chatty Cathy.

A special thank you to Schoedinger Pet Services for their prompt and compassionate care during this difficult time.
