

## Cow Anzelmo

June 25, 2015 - October 19, 2025

Our sweet Cow crossed the rainbow bridge on October 19, 2025. Everyone who met her knew that she had a big, vibrant personality. When I would arrive home, she would always greet me with a toy, and she would follow me everywhere at home. She brought a lot of joy to me, Ella, and Lucy. She also loved it when Eduardo would come visit, and he helped me out a lot in caring for her when I needed it.
