

Davidson Burkitt

September 12, 2016 - July 28, 2025

Our time was short, but so full of love. You were the biggest goofball we have ever had! You tugged ferociously, jumped to the sky for toys, played alligator in the water with your brother, found all the lost toys when asked . You explored the neighborhood on the coldest nights and had everyone worried.! Begged and stole food like no other and willingly was a napkin for our faces. The prints you left will be with us forever sweet Davie. Can't wait to see that wagging tail on the other side. We love you ♡
