

Dazy Shaw

April 9, 2021

Dazy was a beloved member of our family for 12 years. She was also affectionately known as “brown”, “marshmallow”, and “polar bear”. We celebrated “gotcha day” of welcoming a 10-month-old puppy into our family on March 25, 2009. She was full of energy and enjoyed running and playing with our kids as toddlers. As she grew older, she was fonder of relaxing outside and taking long walks with grandpa. Of course, she still showed her youth in the winter in playing in the snow and rolling to make doggie angels. We never expected to have to say goodbye to her so soon, but we do have many fond memories of her. Dazy is missed dearly by her human family, feline friends Allie and Leo, and her dog buddy Tank, but we will never forget her.

“ *Dazy/Brown was a friend to all except delivery drivers or strangers. Her walking buddy, Tank, enjoyed each other's company. She will be missed by her second family with lots of memories and photos. Love you Dazy and I'm sure you have crossed the rainbow bridge waiting for all of us one day.* ”
