

Dees Elaine Ellwood

December 8, 2013 - August 9, 2024

Deesey is such a nice boy. Something guided us to him as a sweet little puppy, and we knew we had to bring him home. At first, he was so small that he fit into the palm of our hands, and he grew up to be a loving and intelligent dog. For the first year he followed our cat Boowie around the house, and he didn't know how to bark because she raised him to be like a cat. As he grew older he found his voice, and was able to communicate with us. Our lives were filled with happiness and laughter over the years because of his amazing personality. He was happy to greet everyone he met, and everyone who met him loved him in return. He loved to go on car rides, take walks around our neighborhood, and sat by as we cooked and ate so he could receive his snacky bites of food. He also loved to receive his treats after going outside and being a good boy. We love him so much, and will miss him every day, but we know he is in heaven and we will see him again. We love you Dees. Thank you for bringing joy and love into our lives, our hearts, and our home.
