

Dia Fee

May 16, 2011 - March 16, 2023

Dia brought to our family things we didn't know we were missing. A forever friend, an ear happy to listen, a fluffy companion to cry on. She brought us so much love and joy. We hope we did the same for her. She was rescued in 2012 and we are forever grateful she was. She was our first dog, fur baby, our MiMi. Rest easy Dia. We love you.
