

Diesel Duffy

February 14, 2023 - May 2, 2025

Diesel, from the moment we held you in our arms as a puppy we knew you would change our lives. Never did we realize just how much. You quickly became a part of our family. Unfortunate circumstances broke up our family that dreadful day. We couldn't bear to see you suffer even if it meant you being taken away from us way too soon. Diesel, you have been an absolute blessing to us. We love you and will miss you ALWAYS
