

Dixie Collins

November 10, 2007 - May 18, 2020

My 3 daughters found Dixie at 3 Sisters Rescue. She was a year old and had been returned 3 times. What a mistake. She was the smartest dog and we are so happy she found her forever home. We miss her so much, and will meet her again at eh rainbow bridge. God let us have her for 11 1/2 years. She was our Little Girl.
