

Dolly Pardon Bradley

February 1, 2019 - May 26, 2019

Dolly came into my life to fulfill an emptiness I had. She was so full of life. She was precious and loved so much for the short time I had her. I forgot all of my worries and pain with her. I can't wait to hold her again. To feel such a love and joy was the greatest thing ever. Forever she will live in my heart.
