

## Dutchess Bayes

March 8, 2008 - December 17, 2020

Dutchess was my best friend. He was an amazing dog, and he was loved everyone. He was so little and adorable. I got him when I was 12 1/2. My grandmothers dog had puppies and she gave me 3 pups. He was the last thing my grandma gave me. I'm really gonna miss him. I love him so much.
