

## Dyna Elle Steele

December 11, 2007 - March 23, 2023

Dyna Loved to travel, she probably went to more places than most people. She lived in Wyoming for 5 years, traveled thur, Montana, South Dakota, most of the West, Enjoyed being with her parents no matter what. She was so brave, strong, Loyal. The best daughter anyone could ever ask for. She took a piece of our heart when she had to leave over the Rainbow Bridge, wait for us.
