

Eddy Pie Workman

January 2, 2006 - April 21, 2019

Eddy Pie was a special, gentle lil soul who followed Mommy everywhere she went. Although very passive, Eddy Pie could break out into "Rambo" to defend himself or to protect what he claimed was his own which included bones, treats, and his Mommy. Eddy Pie loved tummy lovins, sitting on Mommy's lap, sleeping by her head, and resting on the table in his bed "helping" with the bills. He will forever be missed by his Mommy, Daddy, and fursiblings... Rest easy yet run free Lil Furbaby Angel XOXO
