

## Elsa Williams

July 6, 2022

You were the spicy pepper we never knew we needed in our life. For the last 7 years you helped make our family better with your acrobatics and spiciness. Our family would like to thank the OSU vet team, especially Dr Shannon Kenny for helping give us 16 months of spiciness and quality of life with Elsa that otherwise we wouldn't have had. Dr Kenny - if we had to do it all over again we wouldn't have changed a thing, you were the absolute best. Elsa, you are my baby and I will miss you forever. Thank you for loving me as much as I loved you.

“ If you would like to donate to the OSU Veterinary Hospital in honor of Elsa here is the correct link: [https://www.giveto.osu.edu/makeagift/?fund=308987&Source\\_Code=AGAG-OTH-S-ON-PassionCause&recurring=true](https://www.giveto.osu.edu/makeagift/?fund=308987&Source_Code=AGAG-OTH-S-ON-PassionCause&recurring=true) She was loved by so many and OSU treated her like she was their own - they are an amazing facility with even more amazing folks working there. If you decide to do so, you can make the donation in memory of Elsa if you would like or any other pet that has been in your life and made an impact like Elsa in ours. Thank you for looking at our tribute to our Spicy Purrito as Dr Kenny called her.

“ *Elsa, you will be sorely missed. I know you could be spicy but I just remember you coming to visit me in my room and curling up next to me under the tortilla blanket. You will always be in our hearts.* ”
