

Eva McPedersen

November 1, 2009 - January 6, 2018

Eva "The Bean" McPedersen started her life abandoned in a rental property, and shortly after her rescue she was diagnosed with parvovirus, a potentially deadly illness. Her future Mom, a vet tech, was volunteering at a clinic when the Good Sam who rescued her from the rental property brought her in. The Good Sam signed her over to her Mom so that she could receive the necessary treatment to save her life. Eva was nursed back to health and was officially adopted by her Mom and Dad shortly after. Eva spent the next 8 years in a home that loved her endlessly. She was as sweet as she was beautiful and loved everyone she met. She was a super star athlete excelling in ball catching, fence running and enjoyed long hikes in the woods with her Dad- the person she loved most of all. She is forever loved and missed by her human parents and dog brothers every day.
