

Eve "Lady Bug" Payne

April 12, 2009 - August 23, 2020

From the day I watched as you were being born I instantly Fell in love with you. I knew then that you were going to be Mommy's baby. I loved you from day one with my heart and soul. You have been through so much with me, right beside me, ready to shower me with kisses no matter the situation. For that I am truly grateful to have had you in my life for 11 years and 4 months. I will miss your kisses, our conversations, and you waiting for me to come home from a long day. Wagging your tail smiling at me telling me how upset you were because you were home all day while I was at work. You have brought so much love and joy to my life Lady Bug and for that I am truly blessed to have had you as my special companion.

You will be dearly missed by your big sister Jahlyn, Papa Jerry, Auntie Tray Tray and Gigi and Auntie Rae Rae , and Auntie Rita. Mommy will forever keep you in my heart. Until we meet again Lady Bug, Rest in Heaven.

“ I'm so sorry for your loss. I lost my Evie girl on the same day. This is the one and only time they break our hearts. Sending prayers for peace and comfort.
