

Francesca Capulet (Frannie) Bonham

October 1, 2000 - September 25, 2020

Our baby, Frannie, was gorgeous, strong, and chatty (her meows sometimes sounded like "hello"). We raised her and her sister from about 3-4 weeks, and will dearly miss this sassy, sweet girl. Fran liked to closely observe whatever we were doing, was guardian of the Christmas tree, ate with her paws, and when she was young, nursed her tail and played fetch. She was one of a kind and we are grateful she had such a long life with us. Now she is with her sister
