

Freddy Wright

May 31, 2004 - June 2, 2019

Freddy gave us 15 years of unconditional love! He loved to go on walks in the park with Dad and go on car rides. He especially loved to sleep in his sisters bed for afternoon napping. He would also lay on his nephew Thompson and moms feet. (He'd lay on them for hours.) He was a good boy. Everyone who would watch him said he had a great personality. We will miss you everyday Bubba!! We love you!
