

## Gabby Brown

December 20, 2013 - July 12, 2023

Gabby (aka Gabbelina Ballerina) was born on December 20th, 2013. We've had our beautiful boxer girl since she was 7 weeks old. She chose her mom instantly and that was it. The bond was unbreakable. If even through her illness, she never let it get her down. Always back to her good ole self in no time.

Gabby was super smart, sweet, and a loving protector. Her favorite things were going for walks, car rides, playing with her friends, and most of all going to Mom's work. The magic words were "I just have one question", she knew exactly what that meant. It was followed by "Do you wanna go to mom's work". She sure did. She was loyal to a fault. She never let her Mom out of her sight and still was a Daddy's girl, always.

She loved the snow, treats, stuffed animals, and FOOD, anything, and everything, but her favorites were rotisserie chicken, cheeseburgers from the drive-thru, and of course Dad's steaks.

Her whole personality showed through her facial expressions and head tilts. She leaves behind her so very sad pawrents; Mommy and Daddy, her mamaw, older sister Gidget, and younger sister Maggie.

She will be missed more than anything in this whole entire world, more than words can express. She would love to be remembered for her loyalty and loving nature and the abundance of love she had for her Mommy. She left us peacefully to meet her Grandpawrents in heaven, on (of course) her mommy's birthday July 12, 2023. We are heartbroken beyond words.

We will see you again, in Heaven sweet girl. Play with Daisy and Skyler until then.
