

Georgia Rose Justice

April 25, 2025

In 2014, I was sixteen and going through one of the worst times in my life. One summer evening, at a 4-H meeting, a tiny kitten emerged. We found her mom with her other siblings, but mama cat wouldn't take her with the rest of the litter. Little did I know she was giving me the best gift I could ever ask for. My dad was deployed that summer, so this tiny little kitten became the best 'don't tell your dad' that my mom ever gave me. Like most teenage girls in 2014, I was one direction obsessed. Naturally this tiny kitten quickly became known as Georgia-Rose.. a line from the one direction song best song ever because well, she was the best cat ever. She definitely lived up to her name. She will be forever loved and missed.
