

## Ghotti (Girl) Harris

October 1, 2006 - February 19, 2021

Ghotti was my daughter's pet initially. After a few weeks, my daughter found out she was allergic to dogs. I took Ghotti in when she was a puppy, she became a very important part in my life and my grandchildren's lives. Ghotti was more than a dog, she was my other child. She was so protective over me and my grandchildren. I have a total of 12 grandchildren, Ghotti has been a big part of each one of their lives. They all grew up together. Ghotti always thought she was a lap dog at 84 pounds! She loved to go on walks, or just lay out on the patio to feel the breeze or jump in the car for a ride. What I miss the most about her, is her greeting when I would walk in the door especially with bags, she knew I always had something for her. She was one spoiled girl. Everyone who knew me, knew me as Ghotti's Mommy!!  
Love and Miss you more than words can say!  
RIP over the Rainbow, Ghotti Girl!  
Love Mommy
