August 22, 2010 - October 10, 2021

My daddies called me Mommy! If you are trying to nap, I wake you up. My favorite thing was house cleaning and attacking the vacuum. I took care of the younger babies and kept the cats in the other part of the house. I didn't want to leave and fought till the end. I was loved very much and I loved and miss my daddies. I can boss my brother around now, and I can't wait until we are all together again. I miss all of my family.
