

Gitzmo Tubman-Goodridge

May 11, 2009 - August 11, 2025

Gitzmo Tubman-Goodridge 5/11/09-08/11/25 Our Darling Gitzmo... If love could have saved you then you would still be here with us today. Gitzmo was a handsome and the most beautiful 17 year old Pekinese who ended up being one of the sweetest unexpected blessings to come into our lives. On May 11, 2009 we adopted him on his first birthday from All Tails R Waggin in Pataskala, Ohio. He was later joined by his sister Precious, a mixed Miniature American Eskimo, as it was nice for Gitzmo to have some company. Unfortunately, Precious predeceased him on 4/15/20. Gitzmo, Gitzzy, Gitzzy Boy, Daddy Golden Boy, Pookoos, Baboo-che, Baboo-cha, Mr Flunky, Mr Gitzmo-Aunty Matu Baby, as we affectionately called him, was extremely smart, happy, caring, loving, and such a sweet and handsome boy. At the beginning he always followed his mom everywhere around the house and in recent years he started following his dad everywhere around the house. He was so excited whenever we got home. He loved to eat during the time his mom was eating and looked forward to that. His favorite dishes anything with chicken, lamb and his favorite Liberian dish, was cassava leaf and rice 😊. We were inseparable and are missing him dearly being at the door when we get home eagerly ready to greet us, glue around his dad when his food is being prepared, my eating partner, relaxing on the front porch, taking walks with his dad, watching TV, and his loyal and joyful companionship. Special Thanks to Dr. Pascal and the Banfield Pet Hospital Taylor Park Drive Reynoldsburg Medical Team and Staff, His Doctors at MedVet Columbus

(Worthington), their Internal Medicine and Physical Therapy Teams; and our Friends and Family that supported us throughout and recently checking on him particularly during his recent illness. We will cherish his memories forever. Luv, His Parents, Grandma and the entire Tubman-Goodridge Family

“ My darling nephew Gitzy aka Aunty Matu Baby you are missed. Little did I know you were not going to be in Columbus when I came to visit. The house is not the same. I missed you standing in front of me with your head up waiting to eat some of my chicken and other food. Go take your rest.
My condolences again Aunty Eyan and Uncle Spencer.
