

Gracie Mattis

March 3, 2025

Gracie was our Princess Diva. She was a rescue that we got when she was around 4 years old. We had her for about 12 1/2 years. She definitely came out and showed us the loving cat she was. She loved to play with strings. She would lay on your lap and wait till I was situated in bed on my side and sleep on my side. She loved her squeeze ups and spoons-She begged for them and would search our hands when she thought we should have one for her.

“ Gracie was the most loving kitty. We have lots of pictures of her. She loved getting her picture taken. She loved sleeping on Sharon and Sharon loved Gracie sitting on her because it gave her a good excuse why she couldn't get up. Sharon also received a T-shirt that said" sorry I am late my cat was sitting on me".
