

Gracie Rezac

June 22, 2006 - March 8, 2021

From the first time I held you at 6 weeks of age through all the days of your life, I have loved you and known your unconditional love. Gracie was born June 22, 2006 in Bremen Ohio. When we visited the breeder she was the leader of the group. She never stopped running and playing. She loved running and playing through her last day. She especially enjoyed chasing chickens and cats, always letting them know she was the boss. She loved unconditionally and was a one-person dog, fiercely loyal and protective.

Gracie leaves behind her family, Duane, Melodie, Adam, Kristina, and Jacob, who will always love and miss her. She also leaves behind her sister Mercedes.

Run free, chase chickens and cats my sweet girl, my Heavenly Hellion.
