

Gypsy DeHays

August 24, 2003 - February 17, 2020

Gypsy, our little Diva! She loved to wear sweaters, headbands, even banana stickers on her forehead! How many dogs liked getting their nails painted? She did! Gypsy loved people, especially kids. Whenever we went camping she'd wait by the edge of our site for people walking by to pet her. Yes, she was spoiled. Remember "All Good Dogs Go to Heaven"!
