

Gypsy Ducmanas

August 26, 2015 - June 14, 2020

Gypsy was adopted by us on Oct. 11, 2016. She was scared at first, but quickly warmed up. She loved her two older brothers Seamus & Finn and loved to wrestle with them. Later Gypsy would meet her younger brother Bruno and she treated him like a little baby. She kissed her daddy daily and was her Mom's shadow and heart. She loved the sun and hated to get her feet wet. Her smile was infectious and she always smiled with her beautiful teeth and white & red beard. She took a part of our heart with her on 6/8/2020. Gypsy will forever be missed and loved. There will not be one moment that we breath that will be the same since her passing. We will see you on the rainbow bridge. Good night sweet baby girl, Gypsy.

“ I always loved seeing pictures of Gypsy and her siblings when you would post them. I have always been so amazed at their beauty. My heart aches for you and your family. She was so blessed to be your sweet baby. So sad for your broken hearts ❤️🙏😭
