

Harry Rasberg

August 21, 2002 - May 21, 2018

Harry was the greatest dog. He helped raise our kids and half the neighborhood. He looked out for everyone and loved nothing more than to jump on the trampoline with the kids. He was so sweet, loyal and taught all of our other dogs how to be great dogs. We loved him so much and miss him terribly.

“ *Your poich looks like a happy boy, it almost seems as he is smiling.
I hope you take comfort in those happy memories.*
