

Heartland "Sierra" Sunrise Henschen

June 6, 2011 - March 19, 2024

Sierra was the most loyal and loving companion I've ever had. In her youth, she shared her love with the young ladies at Heartland's Horse Lovers Camp. Later, she was the loving mother of two litters of puppies. Sierra accompanied me on many trips to TN, guiding my path on numerous trails and helping me down steep inclines, always ready to protect me. She is greatly missed by me and others whose lives she touched.
