

Herman Bates

January 14, 2021

Herman was one of our fosters through Speak for the Unspoken. We fell in love almost instantly and after 20+ fosters, he was the one we had to "Foster fail" and adopt. He was dumped by a puppy mill for needing an eye removed. He fought numerous health issues, but ultimately, his life was cut short before he was 1 year old due to cancer. The vet called him "our little lemon". He never met a stranger and was loved by all. He was especially wonderful with our 1 year old daughter. They were supposed to grow up together, but we're glad we even had a short time with him. Rest easy Herm.
