

## Holden Belman

February 4, 2008 - October 11, 2020

Holden was born on February 4th, 2008, adopted from Franklin County Dog Shelter in April 2008, and passed away on October 7th, 2020 with his Mom & Dad by his side. He loved his Momma, Daddy, Puppy Brother (Graham), spending time outside, playing fetch, going "swimming" at his Gamma's pond, peanut butter-filled kongs, frozen peas and greenies. He was very expressive and made his opinions known. He would "talk" by making noises that reminded everyone of a cow mooing. He was known for his silly ears that creased on the sides, giving constant kisses and barking at every noise he heard. Holden had many nicknames but most often was referred to as Holdy Poldy, Ju-Ju Bean, McWaggers and Bubbles. He was the best boy and extremely loved by his parents, brother, grandparents and lots of aunts and uncles. We will miss you every minute of every day, Holden. We love you buddy!
