

Horatio Zaebst

July 26, 2011 - May 24, 2024

Horatio's gotcha day was 8/31/2015. We rescued him from Buckeye Bulldog Rescue at around 3-4 years of age. He enter our lives and our hearts immediately and with an extremely strong bond. He loved being outside and rolling around in the grass and hunting for small animals. Squirrels were his favorite to "hunt" for. Horatio above all loved spending time with his "pawrents" and snuggling on the couch in his spot that he claimed from day one. He was the bestest boy with the greatest of frenchie smiles. Food was what he lived for in life. In his later years, he was fed fresh homemade food and became a lover of eggs and popcorn as an occasional treat. His yodels for food grew louder and louder and man do we miss his yodels. He enjoyed spending time with all his family and friends and went everywhere with us. Car rides were his joy too. He would just lay his head on the window edge and bask in the sunshine. That was another one of his favorite pastimes was his sunbathing. He loved being warm to the point of overheating! He had many rare health complications over the years that took a toll on him, but he was a frenchie and fought like one up until the end. He went peacefully with his Mom and Dad holding him in their arms. We miss him so very much. May his gentle soul rest in peace and our hearts ease of this pain until we meet him at the rainbow bridge. We love you forever and always our "Big Buddy."
