

Isabella Damen

May 6, 2018

Isabella was my best friend. She stuck by my side through all the bad and all of the good. She was there to give me all the comfort and love I needed. When I needed a pick me up, she was there to make me laugh and smile. She stood by my side when I married my human soul mate and she was there when we brought our daughter home. She was such a huge presence in my life and will always and forever be in my heart. She was the best puppy in the world!
