

Izabelle "Izzy B" Chaffin

September 27, 2008 - January 22, 2022

Izabelle "Izzy B" Chaffin, 13, passed away peacefully at home in her mommy's arms at 11:44am on January 22, 2022. She is survived by her mommies, Crystal & Christy; Doggy Brother Kyler, Kitten sister Gypsy.

Izzy was born in September of 2008, and was gifted to her mommy just 4 short months later. Life took many many twists and turns over the last 13 years, and the one constant was Izzy B. Just a few vocal wimpers and her paw on your leg was her special way of acknowledging that she understood whatever was going on and gently reminding you that her love was still right there. She was a smart, silly, spunky, sassy girl with the most unique and human like personality that has ever lived in a dog. She was truly a blessing and a gift to be able to love and cherish her for as long as we did. The silence and void felt by her absence will never be filled and there will be an amazing celebration the day we are together again.

To my sweet Izzy B:

I have loved you from the first day you were brought home to me. You have always been and will always be mommy's number one girl. You're sassiness, stubbornness, quirkiness, or just the way that you would tell me how you want something and when you wanted it. There has never and will never be another you and I am thankful and grateful you were mine. I want you to go and have so much fun, give sissy Nina, uncles Johnny, and Landon a big kiss for me. You can come visit us whenever you want maybe you can mess with

Kyler and gypsy I think you would get a kick out of that don't you! I know you're free of all pain sissy girl, and I'm sorry that I had to say goodbye to you for now. But I promise you I'll be soon behind you and you'll never leave my side. I love love love you gorgeous girl....!!!!!!

Love, Mommy
