

Jarvis David & William

May 9, 2009 - September 27, 2022

A very heart felt, sincere thank you to everyone with Schoedinger Pets for the support and care given when we had to put our little boy Jarvis to sleep. Jarvis was a ten-year-old Dachshund we rescued and were fortunate to be able to give him four years of love he very much deserved. Wendy was so kind to honor a very small special request that I will hold in my heart forever. It was extremely comforting to be able to give Jarvis a final goodbye and would recommend a viewing to anyone feeling the need.
