December 27, 2020

Jasmine "Jazzy" Canterbury was born on August 28, 2007 and crossed over the rainbow bridge on December 27, 2020. She leaves behind to cherish her, her parents, Chad and Vicky, and fur sister, Chewie Rose. Jazzy was a sweet girl, who loved everyone. She loved being dressed up and having her picture taken. Every year, she would get a photo shoot on her birthday and she would pose proudly.

One of Jazzy's favorite things to do was to go on car rides. She also loved going to the farmers market with her mom as well as participating in 5k races. She was a strong girl, beating adrenal cancer in 2017. She was also diabetic but never gave her parents any problems With her medications. Jazzy was full of life and sass and often would "tell stories" and "talk back". She leaves a hole in my our hearts and we will miss her forever. She was the perfect girl who we know is dancing in heaven.

“ *I was proud to be uncle to sweet sassy Jazzy. Sweet because she gave the best kisses and sassy because she always gave me a stink eye when I would be sitting in her seat. I will forever miss her telling me her life story and everything I missed out on since my last visit. That always made the trip more special. Love and miss you always Jazzy.*

“ Dear precious Jazzy,  
I remember the first time I saw your cute little face and that wet nose! I was hooked. I anxiously watched for your momma to post pictures of you in one of your pretty dresses. At times, I'd be on Facebook and suddenly think of you....that I'd not seen you and would visit your page. A few times I'd have to ask your Momma how you're doing. You brought me lots of joy and I will miss you so much. I will never forget you. Always in my heart Love, Mr. Jeff
