

## Jax Harshbarger

January 5, 2011 - April 22, 2018

Jax found our family when Luke put his hand to the glass and he placed his paw on his hand. From that moment on, he was part of our family. He was Mom's "Boo", Dad's best friend, Luke's buddy and Caleb & Brian's companion. As a pup he loved to jump from couch to couch and drive Mom crazy. Jax enjoyed laying in the yard watching the neighborhood activities. He even tasted a few of the boy's Legos & game cases along the way. Jax always looked forward to Grandma's visits as she never came without a treat. He loved everyone he met and had a heart as large as his spirit. He is missed deeply by Mom, Dad, Caleb, Brian and his good buddy Luke as well as extended family.

Our gentle giant with a heart of gold!
