

Jax Ralph

October 21, 2017

We were blessed to have Jax in our lives. We adopted JAx along with his brother Willy in June 2003. Both of "the boys" were 2 1/2 at that time. They brought us love, laughter, and lots of snuggles. Jax enjoyed sunshine and basking in the most sunniest spot in the house. He absolutely loved his Mommy and Daddy. He greeted Dadday at the door everyday and couldn't wait for treat time. He is so missed!!
